

THIS JUST IN

Ten of the best new beauty bits on our desk, this issue...

1. Our favourite from this season's new warm eyeshadow palettes (and there are many), is Nars NARSissist Loaded Eyeshadow Palette, €55, brownthomas.com 2. Benefit are really owning brows and their Foolproof Brow Powder is the hero product for us, €26, debenhams.ie 3. A lighter version of the original, Benefit Hoola Lite Powder Bronzer was a big hit when it was released earlier this year and will see you through your slightly pastier winter face, €34, debenhams.ie 4. If the effects of pre-wedding celebrations and late night planning are showing around your eyes, Benefit Boi-ing Airbrush Concealer is your only man, €24, debenhams.ie 5. Zoeva Cosmetics launches in Arnotts this season and we predict you're going to love it. Our faves are The Basic Moment Blush Palette, €15.50 and Rose Golden brushes, from €15.50 each, arnotts.ie 6. Creamy, comfortable and long wearing, we're in full blown lippy love! Marc Jacobs New Nudes Sheer Gel Lipstick in Screen Test, €30, net-a-porter.com 7. Goodbye flat cheek colour, hello illuminating glow with Clarins Blush Prodiges Illuminating Cheek Colour in 09, €34, arnotts.ie 8. A far more manageable option to many scary contour sticks, Benefit Hoola Quickie Contour Stick is creamy, blendable and a great, cool shade. €30, debenhams.ie 9. Penneys have released a Banana Powder and the world has gone mad! Rightly so, it's good stuff an only €4! PS Banana Powder Loose Setting Powder €4, primark.com 10. Sensitive Sally's will love Dr Hauschka's expert makeup range, made from natural ingredients and medicinal plant extracts. Try the Colour Correcting Powder, €34.95, nourish.ie
